

**Prebid Replies to Selection of an Agency for Operation and Maintenance of Automated Self Cleaning Public Toilets at various Locations within Agra.**

S. No	Query	Response
1	The stipulated period of two years is a very short for such operation & maintenance work, where revenue has to be generated from user charges and advertisement, it must be at least for 5 years and 2 years extendable.	No change in RFP
2	The said smart toilets should be well functional before entering into the contract as we come to know that many smart toilets are non-functional and accessories are missing or this work may be added in the tender.	All the toilets at various locations as mentioned in the RFP would be handed over to successful bidder on as is where is basis and it is in the scope of successful bidder to do all necessary major and minor repairs to make all toilets well functional
3	You must allow those bidders only who has prior experience of similar work means real manufacturers or their authorised dealers who are engaged in the smart toilets (sensor based) business for at least 5 years to avoid failure of contract as these smart toilets are being operated by technology of sensor based.	No change in Rfp
4	Please provide measurement of locations by which we can calculate prospective income from advertisement rights, also provide format/ style/ limitations for advertisement if any.	Locations are mentioned in the Rfp , interested bidders can do necessary site visits and take the measurement on their own
5	Any modification / alteration / addition in the structure will be allowed for fixing sign board/ hoarding/ flex for advertisement on the locations?	Modifications will be allowed to incorporate more advertising space , but with prior approval in writing from Agra Smart City Ltd
6	There is mistake in the evaluation criteria, please see evaluation criteria at S. No. 1 & 2 of table of point no. 5.3 (page no. 9), the same had been discussed during pre-bid meeting.	Please refer Corrigendum
7	Joint Venture is allowed or not to participate in Tender	JV is allowed but all the pre-qualification and qualification criteria will have to be met by

K.K.L

		the lead member only and joint bidding agreement/MOU also needs to be submitted
8	How much is the estimated cost ? Please clarity then we would fill our Price in BOQ.	Bidders have to estimate cost on their own after assessing the condition of toilets
9	Submission of Hard Copy of Technical Bid by hand or Registered Post/Courier.	Hard copy can be submitted either by hand or post , but it has to reach ASCL office before specified time and date as mentioned in RFP
10	If we will pay the tender cost by NEFT then in which account we have to pay.	Scanned copy of DD will have to be uploaded in etender portal and original DD will have to submitted along with technical bid hard copy submission

R.K./L

**Corrigendum -1**
